

YOU'RE PROUD OF IT; NOW PROTECT IT.

Scotchgard™ Paint Protection Film from 3M helps resist the stuff out there that harms vulnerable painted surfaces.

Virtually Invisible Protection

WHAT IS IT?

A durable, high-grade, colorless urethane film applied to high-impact areas of your vehicle that take the brunt of damaging road debris.

WHY DO YOU NEED IT?

- Helps keep your paint looking great.
- Significantly reduces paint chips and bug damage.
- Helps boost your trade-in value.

WITH OR WITHOUT

Typical damage on a leading edge painted surface without Scotchgard Paint Protection Film.

Same vehicle. Same leading surface. Notice the difference our tests confirm. Significantly reduces chips, dings and bug damage.

Scotchgard™ Paint Protection Film

PROVEN PROTECTION

Paint Protection Film

NOW HERE'S A GOOD IDEA.

Help protect your paint from harsh conditions that mar your finish. Stones, sand, road debris and bug acids eat away at one of your biggest investments. Scotchgard™ Paint Protection Film from 3M helps protect your finish like no other.

When it comes to protecting your vehicle's paint – you'll be glad SCOTCHGARD film is on the job.

From the starting line – to the checkered flag – Scotchgard Paint Protection Film helps keep NASCAR® high-performance race cars looking good. This film is the only officially licensed paint protection film of NASCAR. That's because many NASCAR teams use Scotchgard Paint Protection Film to shield their expensive paint jobs from high-velocity dirt, sand and gravel.

PROFESSIONAL APPLICATION IS DEFINITELY RECOMMENDED.

Professional applicators can help you select those vehicle components that will benefit the most from Scotchgard Paint Protection Film. Plus they have the know-how to install the film to the exact specifications of your vehicle. Once the job is done, you'll love the look – not to mention the longer life you've just given your car's finish!

VIRTUALLY INVISIBLE FILM ENHANCES THE VALUE OF ANY VEHICLE.

For your **minivan, SUV or truck**, think leading box and door edges, door handle inserts, bed rails, cab extensions, rocker panels and factory step-rails.

For your **full-sized luxury vehicle**, think leading hood edge, wheel flares, side mirrors, rocker panels and leading door edges.

For your **sports or performance vehicle**, think leading hood edge, front air scoops, rear fender panels and windshield edge molding.

For your **motorcycle, cycle trailer or ATV**, think fairings and fenders, leading-edge chrome and fixed carrying cases.

For your **RV**, think cab fronts, side mirrors and all other leading edges.

For your **boat, jet ski and trailer**, think keels, sides and all leading edges.
